Clarifications Letter No. 2

Reference is made to IDLO Request for Proposal (RFP) N_91_2022_SOM issued on 27 April 2022 for the Provision of the design and development of the Online Reporting Portal in Hargeisa-Somaliland through IDLO Tenders email.

Please find hereunder the queries received and IDLO's response to them.

1. Query 1: I would like to clarify where Annex D should be placed by either technical proposal file or financial proposal file Since to be added in the technical proposal is disqualifying while the other one is required to insert financial information.

IDLO Response: Yes, it's mandatory to fill Annex D by the suppliers, and it should be placed in Technical proposal documents But, for the blank space under Annex D, the supplier can indicate it to fill the Provision of the design and development of the Online Reporting Portal instead of the total amount of bid.

For your consideration while preparing your response to the above-mentioned RFP. All other terms and conditions of the RFP remain unchanged and remain applicable in full force.

We appreciate your continuous interest with IDLO and looking forward to receiving your valued offer.

Headquarters Procurement Unit.
