

**CALL FOR CONCEPT NOTES  
FREQUENTLY ASKED QUESTIONS  
REFERENCE NR. 001/20**

December 8, 2020

- 1. My organization is a branch of an International Non-Governmental Organization registered outside the country of implementation. The applicant organization is also registered in Sri Lanka as a Non-Governmental Organization. Is my organization eligible to apply for this Call?**

The Call requires civil society organizations and other non-for-profit entities that are interested in applying to this call to be legally registered in Sri Lanka at the date of submitting an application.

If the organization is registered as an NGO in Sri Lanka, it is eligible under this call with regard to the first requirement. Additional eligibility criteria included in the Call include:

- authority to operate a bank account;
- financial reliability, proven through audited financial statements;
- no conflicts of interest and no financial or personal interest with IDLO that may infringe upon the principles of transparency, independence and fairness as per IDLO policies and procedures;
- willingness to adhere to IDLO and donor rules and procedure.
