From: **International Development Law Organization, Headquarters Procurement Unit**
Subject: **Clarification to Bidders**

Clarification Letter 1

Reference is made to **IDLO ITB No. 242-SOM-2026**, issued on **20 February 2026**, for the **Framework Agreement(s) for Road Transport Passenger Services in Somaliland**).

Please note that this communication serves as a **Clarification to Bidders**.

Please find below IDLO's response to the clarification inquiry received under ITB No 242.SOM-2026

1. Please confirm the minimum fleet size/vehicle readiness requirements and whether vehicles may be rented/leased or must be owned outright, as per Annex C TOR.

Response:

The vehicles under this Framework Agreement are required strictly on a need basis and only when IDLO issues a Work Order for transportation services in the locations specified in the ITB.

There is no fixed minimum fleet size required. However, bidders must ensure the availability and readiness of the required vehicle types upon issuance of a Work Order.

The bidder shall bear full responsibility for ensuring that all vehicles provided under the Framework Agreement comply with the technical, safety, insurance, and maintenance requirements set out in Annex C (TOR).

All other terms and conditions of the tender remain unchanged and remain applicable in full force.

We appreciate your continued interest in working with IDLO and look forward to receiving your valued offer.
