

Date: 24 September 2025

To: **All Bidders**
From: **International Development Law Organization, Headquarters Procurement Unit**
Subject: **Internet Services**

Amendment No: 1

Reference is made to IDLO RFP N_212-2025/UGA/RFP issued on September 15,2025 for the procurement of cleaning services through IDLO Tenders website.

Please find hereunder the queries received and IDLO's response to them.

1. Please clarify on Section 2 (LAN Infrastructure Setup and Configuration – Structured Cabling). Will it be required that every user (staff) has a dedicated data socket next to their desk or workstation?

IDLO Response

No cabling is required to users' workstations because staff will only access internet/network services via wireless connection. End user devices that would require data points include - the printers and video conferencing equipment in the board room.

This letter serves to inform you that Amendment No. 1 to N_212-2025/UGA/RFP will be posted in response to questions raised by Bidders.

For your consideration while preparing your response to the above-mentioned ITB. All other terms and conditions of the tender remain unchanged and remain applicable in full force.

We appreciate your continuous interest with IDLO and looking forward to receiving your valued offer.
