To: **All Bidders**

From: **International Development Law Organization, Headquarters Procurement Unit**

Subject:

Amendment No: 1

Reference is made to IDLO RFQ **NO.N_99-2023/TN/RFQ** issued on November 22, 2023 for delivery and installation of ICT Equipment through IDLO Tenders website.

Please find hereunder the queries received and IDLO's response to them.

1. If the tender is open to international suppliers?

- Regrettably, due to the legislative constraints surrounding imported products and the time required for delivery, this process would be time-consuming and impractical for our country office in Tunis. As such, we'd like to receive bids from local ICT equipment providers in Tunis.

If for laptop, English/us keyboard (QWERTY Layout) is acceptable?

- As specified in the tender documentation, it is imperative that the laptop keyboard adheres to the French AZERTY layout. Consequently, the QWERTY layout is not acceptable.

For your consideration while preparing your response to the above mentioned RFQ NO.N_99-2023/TN/RFQ. All other terms and conditions of the tender remain unchanged and remain applicable in full force.

We appreciate your continuous interest with IDLO.
