B. Background

This Invitation to BID (ITB) is for Hotel Services including lodging, meals, meeting rooms, internet service, waiter service, coffee and water station, snacks, catering services and lunches.

C. Condition of Contract and Expected Output

IDLO is looking to establish one or several Framework Agreement(s) with able and qualified Suppliers. A Framework Agreement is a type of agreement with its terms and conditions under which procurement of goods or services can be effected over a specified period, but which places no obligation on IDLO to order any minimum or maximum quantity. All terms and conditions including the prices will remain unchanged during the period of the Framework Agreement(s).

After entering into a Framework Agreement, IDLO shall place order on a "need basis".

Each Framework Agreement will have its specified list of services, indicating the upper ceiling price agreed at the ITB stage. The upper ceiling price list (as well as discounted rates, if applicable) are provisional and are intended solely for the purposes of evaluation and comparison of Bids and to determine the upper ceiling limit in the Framework Agreement. The Service Providers cannot go beyond the upper ceiling price.

After entering into a Framework Agreement, IDLO shall place order on a “need basis”. IDLO shall initiate a Secondary Tender to request confirmation from the Supplier on its goods and service availability and prices by email. The Supplier shall confirm by return email within 48 hours (including any applicable discounts).

IDLO shall make award decision based on “lowest priced, most technically acceptable/compliant offer”.

The confirmed award shall be in the form of a duly authorized Work Order. The Work Order is IDLO's commitment against Framework Agreements. The Work Order will provide information on the exact items, its quantities and unit prices (lifted from the Framework Agreement) in addition to other logistic details.
