Subject:

Clarification Letter No. 1

Reference is made to IDLO RFP No. HQ-2025-000178 issued on **September 23, 2025** for the **implementation and support for the "e-Integrity" information platform for National Integrity Authority** through IDLO Tenders website.

Please find hereunder the queries received and IDLO's response to them.

- 1. We kindly request a clarification regarding the interpretation of the following provision included in the tender documentation: "The eligible bidder shall not have any litigation in court concerning its activity or its relations with clients or partners."
Please confirm whether this provision refers exclusively to situations where the bidder acts as a defendant in a pending litigation (i.e., is being sued for non-performance or breach of contractual obligations), or whether it also includes cases where the bidder acts as a claimant, exercising its legitimate right to defend its commercial interests before the court.**

IDLO REPLY:

This provision refers exclusively to situations in which the bidder is involved in litigation **as a defendant or a party found at fault**, such as cases concerning non-performance or breach of contractual obligations.

It does **not** include situations where the bidder acts as a **claimant**, exercising its legitimate right to defend its commercial interests before the court.

Accordingly, bidders are required to provide a **self-declaration** confirming that they are not currently involved in any court litigation in which they participate as a defendant or a party found at fault.

For your consideration while preparing your response to the above mentioned **RFP No. HQ-2025-000178**. All other terms and conditions of the tender remain unchanged and remain applicable in full force.

We appreciate your continuous interest with IDLO and looking forward to receiving your valued offer.
