Date: **September 19, 2022**

Dear Sir/Madam,

We kindly ask you to submit your quote for the supply and installation of video surveillance systems described in **Appendix B**.

We also request that your quote be submitted using the format specifically detailed in Appendix C.

Quotes submitted by email must be limited to a maximum of **10 MB**, virus-free and no more than two email transmissions. They must be free of any form of viruses or corrupted content, otherwise quotes must be rejected.

The quotation shall be assessed on the basis of the lowest quotation and meeting the requirements as described in Annex A(q).

In the event of a discrepancy between the unit price and the total price (obtained by multiplying the unit price and the quantity), the unit price will prevail and the total price will be corrected by IDLO. If the bidder does not accept the final price on the basis of IDLO's correction of errors, its quotation will be rejected.

Bidders must not change their prices for any reason after the bid deadline and as long as the quotation is still valid. At the time of the award of the contract, IDLO reserves the right to vary (increase or decrease) the quantity of goods, up to a maximum of twenty-five percent (25%) of the total offer, without any change in the unit price or other terms and conditions.

IDLO is not required to accept a quotation, award a contract, or be responsible for the costs associated with the preparation and submission of a quotation by a bidder, regardless of the outcome or manner of conducting the selection process.

IDLO encourages each potential supplier to avoid and prevent conflicts of interest, disclosing to IDLO whether you, or any of your affiliates or staff, have been involved in the preparation of the requirements, design, specifications, cost estimates and other information used in this tender.

By submitting a quote in response to this information, bidders confirm full acceptance of IDLO's terms and conditions and payment policy within 30 days of delivery of the service upon presentation of a complete and correct invoice.
