MAIN QUESTIONS

The Webinar will explore these questions:

1. What are the main challenges to the justice sector in delivering a survivor-centered response to GBV during COVID-19 and in its aftermath?
2. Are you aware of innovative emergency solutions to protect survivors of GBV during the COVID-19 containment measures, especially their ability to access justice and related protection and support services?
3. What are good practices and approaches for justice sector programming to prevent and respond to gender-based violence against women and girls during the COVID-19 outbreak?
